Dear Pre-sold Parking Patron:

Alco Parking Corporation will no longer be sending paper invoices for Reserved Steelers Season Parking. You will be required to purchase your season parking electronically with a credit card, rather than mailing a check to us. Once paid, the pre-sold parking tickets will be mailed to you as in the past.

***All customer's parking arrangements will remain at the same location as last season, with the exception of Gold Lot 4 due to construction within the lot.***

**THIS NOTICE IS FOR INFORMATIONAL PURPOSES ONLY.**

**YOU NEED TO DO NOTHING AT THIS TIME.**

Between now and June 30<sup>th</sup>, further information will be mailed to you. This information will contain your secure log-in credentials and detailed instructions for purchasing your parking.

Our staff will be available at that time to guide you thru the process if you require assistance or have questions.

Sincerely,

**ALCO PARKING CORPORATION**
